Re: Fansteel Metals

- 100 KG. is key / metals suspended is second key.
generated in any one month
unless exotic (acutely hazardous)
- State may have exemption status.
~~[illegible]~~ (by request)
- Authorized state OK check with them
then State should check
wastes + amounts.
- Maybe appropriate to ask State
to check into situation + determine
RCRA applicability of facility
not clearly exempted or
excluded under statute.
~~- one of impoundments being closed~~
~~under solid waste regs. - Same~~
~~data collected on material oozing from~~
~~site. maybe our (superfund inspection)~~
~~- Apparently impoundment classified~~
~~under Solid Waste Rules.~~
