Alice:

We write on behalf of Ashland LLP f/k/a Ashland Inc. ("Ashland") in this matter.

1) William Hatfield of Gibbons P.C. will be the primary contact for Ashland for future communications on allocation and will attend the October 13 meeting.
2) Please update the Ashland listing to identify the company as "Ashland LLC" (not Ashland Inc.)

Please be advised that Ed Meeks and Robin Lampkin, Esq. of Ashland plan to call in for the October 13 meeting.

Finally, Ashland firmly believes that *all PRPs need to be at the table for any allocation process*, including PVSC, the municipalities, and many others that are not included on EPA's Attachment A – List of Addressees for the September 18, 2017 letter. Ashland looks forward to attending the October 13 meeting and strongly recommends that EPA expand the number of parties for any allocation of OU-2 to ensure that it is an effective process.

Thank you.

Bill
