Subject: Info for 7/24 Phone Call on Environmental Health Initiative at The National Academies

Dear Colleagues,

We are looking forward to discussing the National Academies' thinking on the new Environmental Health Matters Initiative with you on Monday, 7/24 at 4:00 Eastern time. The connection details are included below.

You all received the attached concept paper and meeting summary more than once before, but I've attached these here for your reference. I've also attached the Statement of Task we developed to describe the initiative.

The planned agenda for the call is as follows:

- Remarks from National Academies leadership – Bruce Darling
- New Initiative Details
- Pilot Phase Details
- Discussion

Please let me know if you have any questions.

Thank you,

Marilee

Dear Colleagues,

Thank you for your interest in the "Environmental Health Matters Initiative" of The National Academies of Sciences, Engineering and Medicine (white paper is attached for your reference).

We have organized a phone call for July 24 at 4:00 pm Eastern Time, to discuss The National Academies' plans for moving this initiative forward. The meeting is scheduled from 4-5pm. If your schedule permits, please reserve an additional 30 minutes in the event the meeting runs long. Connection information is pasted below my signature. If you have a chance to let me know in advance whether you plan to join the call, that would be helpful.

We look forward to talking with you. Please feel free to contact me if you have any questions before or after the call.

Thank you,

Marilee
