web content for glyphosate.kn edits 10.29.15.docx

Neil and Tom,

Please see my edits on FEAD's web content for glyphosate. The piece needed a lot of revision. Let me know if you have revisions/additions to the text. I would like to circulate to the team for review by this afternoon.

Thanks,

Attached for your review is the first draft of the Web, not quite Qs&As, for glyphosate. It's rough. I know you all will have lots of comments and edits. Please pass on to others who should review.
