TELEPHONE REPORT

SUBJECT: MPE - Consent Decree

DATE: 6/9/88 TIME: 4 PM

FROM / TO: Ruth Nelson

PHONE NO: 632-1441

SUMMARY OF CONVERSATION: The decree has still not been "attached" to the title. Ruth has lost her associate & is really loaded with work. She agreed to do a little quick research and, if the attachment can be easily done, will fix it within the next few days. I told her that it was showing as noncompliance in our tracking system and that I was being asked for some recommendations
