Subject: FW: FY 16 Projected Completions
Planned Completes Summary.xlsm

Hello All:

Mark Pane recently sent out the message below to the people whose names appear on our list of sites for FY16 that we know will most likely be entered into SEMS to get credit for them. I am writing to you, because your name does not appear on the list, but you may have done a site this FY anyway. Let me know if you did an action this FY either PJ, RV or BB that will be completed by September 30, 2016. If it's close to being done and you might be able to complete it, we would appreciate if you could do so. We can use all the completions we can get!! If you did not have a site that was completed this FY, you do not need to reply.

Thanks, Bonnie

Subject: FY 16 Projected Completions

All,

Please look at the list below. It contains the name of the Site(s) and type of action (RV, PJ or BB) which we have targeted for completion this FY. To support these completions, we will need to have the documentation for each of these actions (Sit Reps or Orders).

This year Bonnie Hriczko will be assisting Beckett with the documentation review and inputting the completion information into SEMS.

If the Site you have listed will not be completed this FY, please let us know as soon as possible. Conversely, if you have a Site which is not listed and will be completed this FY, please let us know that as well.

Thanks in advance for your help,

Mark
