Hi Mindi,

As we discussed early today, here is the scanned letter plus the photos referenced in the letter. I have many more photos on the 4 CDs that were sent to EPA should you want to see them.

Please review the letter and advise on next steps. We want to respond to Mr. Brittle, even if it is to just say that we have passed his letter and photos along to ADEQ. Do you per chance have an email address for him? No phone or email contact info is provided in the letter.

EPA: The attached letter and 4 CDs worth of photos were sent to Jared. I am copying you in the event you have any suggestions on follow-up. If you'd like to borrow the CDs, feel free to ask me.

Thank you all!

All the best,

Susanne
