Subject: RE: GoToMeeting Invitation - Proposed Rule for Locatable Minerals

Hi Robyn, thank you for forwarding this! Were you requesting that myself or someone from EPA attend? I'll actually be in the Idaho Rule Making on their financial assurance rule making process that came out of HB 141. However, I can definitely see if someone else can sit in.
I would also welcome the chance to catch up with you when you have time.

Thanks!
Lynne

This came up during out staff-to-staff meeting on Stibnite today. Nez Perce Tribal staff requested consultation ahead of commenting on the advanced notice of potential 228 rule changes. It sounds like Chad is coming up to McCall for the meeting. Call in info below.
