Description
Karen - This was a time that you had suggested would work for s chedules. I won't be here that week but it looks like they want to meet soo ner than later. Can we make this work?

OK I have confirmed that we can make it on April 26 from 10-12. It too k some rearranging but it will work. I assume we will meet at IDNR office. Please confirm when you can. Thanks.

I will be bringing Ed Chu, Act ing RA and David Hoefer from Office of Regional Counsel. If that changes, I will let you know.

Hi Mary,

This is good news to hear . Ed mentioned this while he was hear but I wasn't sure if he'd remember. T he 25th won't work for us here. I'll be in Cleveland for ASTWMO that week a nd Bill and Chuck are attending an all day strategic planning event. They c ould meet on the 26th from 10-noon and I could ask Amie to sit in for me. O therwise, we could look into May for open dates too when I am back. Thanks .

Hi Alex ,

I would like to schedule a meeting with my senior management and your s to discuss the subject site and potential redevelopment. For the past se veral years I have worked with Rita Connor with the city of Des Moines so I am well aware of the city's urban renewal efforts in the vicinity of the s ite. EPA is seeking ways to advance the ball on this and we would like to coordinate with IDNR. I believe your senior managers mentioned this to Ed Chu (our Acting RA) in recent weeks.

Ed and I can drive to Des Moines on April 25 to meet. Please let me know if this date works for you, Bill , and Chuck. As a backup, we could do April 24 but the 25th is our prefer ence if you can make it work on your end.

Thanks – I really look forwa rd to meeting with you on this.
