Subject: Re: Fw: LST-1166 Vessel Destruction case update

Mike,
This is a USCG-lead incident in the marine zone. EPA ER program is providing assistance to the USCG in their effort to obtain a permit for ocean disposal of the derelict vessel (via EPA's Office of Water). Rich Franklin of my staff is the lead for EPA assistance to CG on this. He can put you or Mr McIntyre in contact with the right USCG person for an update.
Thanks,
Chris.

Chris D. Field, Program Manager,
Emergency Management Program,
Environmental Protection Agency - Region 10

Good morning LCDR Smith,

CG-5332 would like to request a status update or any new information on the Ex-USS WASHTENAW COUNTY LST-1166 vessel destruction case from D13/Sector Portland. Thank you, sir.

Very Respectfully,

Leora
