General Comment

I implore you to revoke the license for glyphosate immediately!! It is poisoning our children and grandchildren!! Making them sick, giving them cancer, causing birth defects, premature births or stillbirths, babies being born with genetic disorders, CHD, etc. Now we find out it is in the vaccines that are given to our children and grandchildren. This is UNACCEPTABLE!! Our children and grandchildren are not your science projects!!! Please stop it now!! My family has suffered enough! As well as many other children I know of.
Thank you.
