Dear Stacy, Ashley, and Gillian:

Hope you are all doing well. You may recall that in January of this year, we had planned to do an in-person meeting in Reno with EPA Acting Regional Administrator Alexis Strauss which, due weather issues, we had to change to a teleconference call. We mentioned during our call that we would keep your offices apprised of the next time that Alexis would be in the Reno area, which is why I am reaching out to you today to let you know that Alexis and our Senior Policy Advisor Amy Miller will be in Reno later this month on Thursday, May 25th. I wanted to see whether you all would be available again sometime on the morning of May 25th (perhaps at 10:00am or 11:00am) to meet with Alexis and Amy in person so that they can provide your offices with some updates on important issues impacting Nevada.

In January, Stacy in Congressman Amodei's office graciously offered to host you all in their office and I wanted to see if that might be possible again if we are able to schedule this meeting. I look forward to hearing back from you, and please let me know if you have any questions or need any additional information.

Regards,

Brent Maier
