Subject: U.S. EPA Extends Public Comment Period for the Clean Power Plan Proposed Rule

Dear Colleagues:

On September 16, 2014, the U.S. EPA extended the public comment period for the Clean Power Plan Proposed Rule by 45 days, until December 1, 2014. We have followed through on President Obama's directive to extensively engage with the broadest possible range of perspectives as we work to develop a plan to cut energy waste and leverage cleaner energy sources. We initially proposed this rule with a 120-day comment period but based on feedback, have decided to extend it by an additional 45 days in order to get the best possible data for the final rule.

For more information on the proposed rule and how to submit comments, you may visit:

http://www2.epa.gov/carbon-pollution-standards/how-comment-clean-power-plan-proposed-rule
