Subject: topics we'd like to touch on today at 3 pm meeting

Jim and Wendy:

Below is a list of items we thought of to discuss today, to the extent they're appropriate; happy, of course, to discuss anything on your minds.

Joanna Slaney and Lindsay McCormick will be accompanying me to the meeting.

Best, Richard

Potential topics for discussion

-

Transition to new law – continuation/supplementing of current activities

- Sec 6 rules for TCE/NMP/DCM
- Test orders for FR cluster chemicals lacking adequate data

Data call-ins of REACH data for companies producing or importing those chemicals in the U.S.

Information access:

- new access system for CBI to doctors
- proactive public disclosure of nonCBI

Incorporating requirements applicable from date of enactment:

- New chemical reviews
- CBI claim reviews

Early deadlines/needs:

- Fee rulemaking - no deadline for rule, but clearly urgent need
- Selection of first 10 chemicals for risk evaluations – 6 month deadline

Budget: Ensuring adequate funds out of the gate

- Adjustments to proposed EPA budget
- Hill Approps advocacy

Ramping up capacity – needs (staffing, etc.)

Transition to new Administration
