Chris, just to confirm – is your preference to keep the meeting scheduled for Wednesday? If it is, I can ask OMB if that is there preference as well. Paige Hanson will be able to join you from the OCFO, and can make OMB introductions as needed.

Just let me know. Thanks!

Hi Chris,

Let's go ahead and reschedule for another week. I was actually going to be unable to attend due to a conflict with a meeting on the Hill, and now we can reschedule for another time that can allow me to participate. I hope that is ok with the two of you?

Thanks,

HOlly

Hi Holly,

Jennifer and I are in process of rebooking our travel plans -- given the likelihood now of gov't reopening first thing tomorrow, is there a chance the meeting will stay on Wednesday? Thanks!

Chris

Good morning,

While EPA is continuing operations this week, travel has been restricted given the funding lapse. I understand OMB is also working with a limited staff of excepted personnel at this time.

With that in mind, I propose rescheduling our IRIS meeting on the 24th. I will work with Charlie to find another acceptable time.

Thanks,
