Subject: IRIS "Talkers" for the HSST Briefing
IRIS formatted v7_clean.docx

Hi Richard and Jennifer,

We have not received any talking points from OEI for the Request for Correction Process that is going to lead in the discussion for the pre-brief and briefing for HSST next week. In the meantime, Lou and I thought you may want to see the general talking points on IRIS. These are high level, and quite familiar to you. While you are not likely to use this in the stage setting part of the conversation, you may need to draw upon them at different points. Of course, Lou and I (in person), and John Vandenberg (by phone) will be there to provide additional substance. Please let us know if you need any more information.

Thanks,

Tina
