UNITED STATES ENVIRONMENTAL PROTECTION AGENCY
REGION 2

DATE: SEP 25 2017

SUBJECT: Saint-Gobain Performance Plastics RI/FS Start

FROM: Eric J. Wilson,
Deputy Director for Enforcement & Homeland Security
Emergency and Remedial Response Division

TO: File

On June 3, 2016, NYSDEC entered into an Order on Consent and Administrative Settlement with Saint-Gobain Performance Plastics Corporation and Honeywell International, Inc. for performance of the Remedial Investigation/Feasibility Study ("RI/FS") of the Saint-Gobain Performance Plastics Site ("Site"). The NYSDEC is the lead agency for the investigation of the Site and is coordinating investigation activities with EPA. The attached Federal Register Notice and NYSDEC RI/FS order serve as documentation of the RI/FS start which corresponds to the date of listing of the Site on the Final NPL on August 3, 2017.
