We will try to contact Region 5 states to confirm the OB/OD sites listed in the spreadsheet.

One question is that can you elaborate more specifically about the "cost"? Operating cost or closure cost?

Subject: FW: list of OB/OD sites from EPA intern files

Besides the information below (see the highlighted information wanted from the contractor), we are also looking for the Subpart X Workgroup to assist with identifying:

- Which of the sites listed in the attached spreadsheet have enough data to document the costs associated with OB/OD units?

If any changes need to be made in the spreadsheet, please let me know and I will grant you access to the master spreadsheet so that everything can be maintained in one document or please identify the changes clearly so that I can make them.

If you have any questions, just give me a call.....Thanks! Terri
