Report Description

This report lists detailed data for the individual unit groups within a TSD facility. Details include current status for the unit group, including process code description, legal and operating status description, commercial status, notes, and permitted waste codes. Report also shows the unit group's number of units, capacity and capacity type, unit of measure, standardized permit, and effective date.

User has the option to show all unit detail history (listing more recent detail first) or show only the current detail information.
