DSM

February 29, 2012

Office of Enforcement and Compliance Assurance,
Office of Federal Activities, International Compliance Assurance Division (2254A),
Environmental Protection Agency,
1200 Pennsylvania Ave. NW.,
Washington, DC 20460.

To Whom It May Concern:

Attached please find copies of the manifests for hazardous waste that was exported. These manifests include the following information:

(1) The EPA identification number, name, and mailing and site address of the exporter;
(2) The calendar year covered by the report;
(3) The name and site address of each consignee;
(4) By consignee, for each hazardous waste exported, a description of the hazardous waste, the EPA hazardous waste number (from 40 CFR part 261, subpart C or D), DOT hazard class, the name and US EPA ID number (where applicable) for each transporter used, the total amount of waste shipped and number of shipments pursuant to each notification;

DSM NeoResins is addressing reduction of our hazardous waste through the TURA reporting.

If you have any questions, please contact me at (978) 661-7433.

I certify under penalty of law that I have personally examined and am familiar with the information submitted in this and all attached documents, and that based on my inquiry of those individuals immediately responsible for obtaining the information, I believe that the submitted information is true, accurate, and complete. I am aware that there are significant penalties for submitting false information including the possibility of fine and imprisonment.

Sincerely,

Bronwyn Boyle
