Thanks much! I noticed that attachment 2 includes all names and phone numbers in the last column, except for the congressional liasons. There are two of them, and their invormation has been confirmed by OPA Brent Maier, so could we just include them in the flow chart for consistency? And that should do it!

Thanks so much! Lynda

Subject: Confirming contingency plan/ contacts

All,

As you know we have a contingency/monitoring/ plan with a call out tree in place at Leviathan Mine Superfund Site.

In light of the upcoming work in the Beaver pond area planned for later this summer, I'd like folks to please review and provide any updates to the phone tree—by end of day tomorrow.

Thanks! See attached,

Best Regards,

Lynda Deschambault
