Subject: Leviathan Monthly Status Update Conference Call

Hello,

I will be out of the office on Biz Travel, Returning to the office on Monday Feb 27th.

If any time critical issues arise Gary Riley and John Lyons will serve as the initial points of contact:

- Gary can be reached via his work number 415-972-3003
- John can be reached either thru work number, 415-972-3889, or via cell phone, 415 265-0908.

If the matter requires emergency response or emergency notification – please follow established procedures to notify/involve our Emergency Response Branch, the Spill Line and/or the NRC.

Lynda Deschambault

Environmental Scientist

USEPA Region 09

(415) 947-4183
