Triangle Lake call Aug 15, 2012

- Health needs the data from ODF & Ag by the end of September.
  It isn't clear they'll comply...

Draft by Oct 5

Under Oct 31 { Internal reviews by OHA & ATSDR
Independent review

Share w/ partners for a couple of weeks
incorporate comments before Thanksgiving
Initial/public comment version goes out

= Shooting for late November release =

EPA is reviewing a funding request ~~from~~ by ORD for air ~~monitoring study~~. Method development.
U of Washington is doing passive sampling for organophosphates... we hope to extrapolate...
* Regional methods contract may be enough for methods development
