Letter to BIA re Health Advisory Sign 4 27 16.pdf
WT sign request.pdf

Norm,

Thank you for the update informing us that the signs will be posted on BIA land.

Please let us know the date you expect to post those signs. And in advance, as discussed, we would appreciate a copy of the more detailed map/locations that Darrel is preparing for you and help to confirm /ground-truth the locations of the four signs.

I am copying my EPA team and Community Involvement Manager; As well as the various stakeholders, landowners; and CDPH.

As discussed I'd like to do a call to answer questions and agree on a coordinated communication strategy/phone tree. Please let me know your availability this Friday and/or this Monday.

Thanks!

Lynda

Hi Lynda,

As discussed, attached is the letter sent from the Washoe Vice-Chairwoman, Deidre Flood, to the BIA with the attached location map and proposed signs. The second document is the approval letter from BIA Superintendent, R.J. Eben. After your review, let me know if there is anything else we'll need to follow up with? Thanks Lynda.

Chairman Mortimer,

Please find attached Deidre's letter which has a map identifying the placement of the signs and the BIA's approval letter. I'm not familiar with the exact locations, could you ask Darrel to participate with this meeting? I'm certain he know the exact locations. I am available this afternoon after 2:00 PM; After 1:00 PM on Wednesday; After 1:00 PM on Thursday or anytime of Friday. Thanks Chairman.

Norm,

Here is the letter authorizing the tribe to post signage related to Leviathan Mine. I do not see a map so im assuming that you have a map that was submitted with our request. Please take the time to meet with my office to discuss our game plan.
