Its for 2pm.

I seems when the power went out, my calendar reset to wrong time zone or something odd, as I have it for 1pm on my calendar. Weird. so sorry. Embarrassing.

I know I did also offer 2pm initially, but darn it; if I don't have another important high level call at 2pm now

nd can't make it.

I offer in this order:

a. Move it to 3pm today?
b. Scramble for call now or at 1:30
c. Reschedule for tomorrow?
d. Proceed with EPA consultant only to cover the technical call

Josh,

Prefer to keep it technical. But just noticed that Adam was on the invite list for this technical update.
