Subject: Follow up on Anaconda OU1 discussion

Jim and Adam,

We discussed speaking this week to follow up from our conversation regarding OU1 past costs at the Anaconda Copper Mine. Today I am only available between 3-4 Pacific, but tomorrow could be more generally available if you have a time to speak. I know that my client will be anxious to hear about our conversation, so if we can't speak this week, early next week would be ideal. I am generally available Monday and Tuesday.
