Hi Michelle,

I gladly approve this manuscript.

Thank you,

Hi Michelle,

I'm about ready to hit the "approve" button but need you to send me the "we are good with this manuscript" emails from each co-author. I'll upload them into documentum 4 U and then send it along. It's picky but it's an automatic kick back if the OS doesn't see them.

Have a great weekend!

Lynn
