Please find attached a proposed agenda for our meeting.

Hello all,

As we discussed recently, I am available to meet with Yerington and Walker River Paiute Tribe ahead of our planned stakeholder meeting.

I plan to bring our new Public Information Officer Samantha Thompson and I understand from EPA Enrique, Angeles, and Harold Ball may attend.

I will bring some information on our plans for financial assistance to tribes under a deferral scenario as well as a summary of the status of our discussions regarding tribal employment at the Site under a deferral scenario.

Greg
