OAR has reviewed the fact sheet and presentation. Region 5 has also been in communication with OAR in regards to the community meeting. Not sure who Region 5's enforcement folks have been talking to. I have not been engaged with their activities.

Has OAR been engaged Danelle? I'm assuming that Region 5 may have engaged them on whatever action they're about to take. I mentioned this to Bob K and that was his question.

Good Morning Liz,

Attached is the final draft of the East Liverpool factsheet based on your input and edits during our Monday afternoon meeting. I am also going to attempt to submit this through Protrac.
