Dear Brian,

It was good to talk to you this afternoon. As I mentioned, the tribal chairs have accepted my offer to meet with them in NV. They understand the urgency of the issue and have made themselves available to meet with us next Monday, February 13 at either 3 or 3:30 pm in Reno, NV. They actually suggested that we meet in BLM's office. The meeting participants will be as follows:

YPT Chairman Laurie Thom,

WRPT Chairman Amber Torres,

Dietrick McGinnis

McGinnis and Associates LLC

EPA: Harry Ball and Angeles Herrera

BLM: ??

I look forward to hearing back from you regarding BLM's participation and whether BLM can host the meeting with the Tribes in your office.

Also, since EPA will be traveling to NV to meet with the Tribes, should we also make an offer to meet with the city and county managers? I realize that this may not work for BLM and/or NDEP, but I wanted to suggest it for your consideration.

Thanks.

Angeles.
