Is there another day/time you are available? I think that time works for everyone. What about that Monday or Thursday?

All:

Please see the "final" draft of our manuscript, which I will be submitting to JESEE as soon as I get the green light

from my Director of Science.

Can we meet on Tuesday, May 7th at 1:00 my time (central; 12:00 mountain; 11:00 pacific; 8 pm Brussels) to discuss our path forward? It's been a long time since the whole team was on the phone.

Let me know if that works for you,
Michelle
