thank you, Danelle we did not send it to George as I wanted to wait for the last version. I will wait for Greg to send the unlocked version tomorrow morning. Thanks, shall I assume you were o.k. with the Community Slides?

I did not lock anything. My last version was 2-27-13 and I haven't made any revisions since then.

I did see this morning that Danelle had some edits. But I have not had a chance to make those edits.

So let me take a look at it the first thing tomorrow and make changes and send it back out for review.

Now, I'm not sure George has looked at it or has any comments, but I have yet to hear from him. So let me get another draft available for review and comment and I'll send that out tomorrow mid-morning.

It appears I may have to change the point size to fit it all on one page (which is not a problem).

Talk to you tomorrow,

G

Hi Greg and Danelle,

somehow, the fact sheet was locked by someone and I would very much have it formatted to be 2 pages so it can be printed front to back. Can one of you please do that?
Thanks - also Greg this incorporates Danelle's changes. Let me know if we can consider it final. As it was locked, I did a new version adding print after the file name.
