Bharat had hoped to arrange the briefing for Susan at a time when Danelle Lobdell, ORD, is available if possible. She would be on "standby" as needed.

FYI regarding Danelle's availability next week for being on the line during Ohio Mn study briefings (Central time):

Tues 4/9: 2pm conflict
Weds 4/10: some conflicts, could be rearranged
Thurs 4/11: mostly clear, best of all 3 dates
