Yes, the meeting did happen. See:
http://www.reviewonline.com/page/content.detail/id/567830/Manganese-results-shared-with-health-board--community.html?nav=5008
Also, the study website is up see: http://www.epa.gov/nheerl/mnstudy/

Hi Danelle, thought I'd just go directly to you for my question.

We have in SCOUT that the East Liverpool, Ohio/Manganese meeting was going to occur on July 11. Did that actually happen?

Thanks.
