Hi Rosemarie,

The end of the week is fine. Yes, they are strict with the 2000 word limit.

Good job, thanks Danelle. Is it alright to be back to you the end of the week? Are they strict about 2000 characters, my insertion need to be short then.
Thanks,
Rosemarie

Hi Rosemarie,

Attached is the skeleton abstract for ISEE. Please fill in the blanks and correct anything I have wrong in there. I have also pasted at the bottom the instructions for the abstract. We only have 2000 characters, including spaces for this abstract. Right now we are in good shape, but probably will be right at or will

need to cut characters once results are included.

Thanks!!
