Angeles,

We are available to meet in Carson City next week anytime after 10:30 on Tuesday 11/21 or anytime after noon on Wednesday 11/22.

Please let me know if any of these dates work for EPA. I will prepare a proposed agenda.

FYI, we are confirmed to meet with both YPT and WRPT the morning of 11/22 to discuss Anaconda tribal employment.

Greg

Angeles,

Thank you for the response and the proposal to meet. Unfortunately, Rick Perdomo and I traveling much of this week and are not available at the same time this week so we will have to look for future dates.

To reach closure on the document language and each of parties' threshold concerns, NDEP will be proposing that we schedule a set of discussions between EPA, NDEP and ARC rather than the current back and forth over the remaining issues.

These could involve a series of sequenced meetings between (bilateral) and amongst (multilateral) the parties.

Greg

Hi Greg,

On behalf of Enrique, please find a letter regarding the deferral of the NPL listing of the Anaconda Mine site. The letter proposes that EPA and NDEP sit down in person or on the phone next week to address the remaining issues that need to be resolved before EPA can make a final decision on deferral.
Here are some dates that work for us:
Wednesday, November 15
Thursday, November 16 after 11am
Friday, November 17

Please let me know what works best for you.
Thanks.

Angeles
