Eric,

Attached is a summary of the basic issues we discussed, regarding the AEC Bennoc January 3, 2014 permit version, during the conference calls held between OEPA and R5 EPA. Additionally, R5 sent the WV permit to aid in expanding on any appropriate permit language, including the adaptive management plan, found in WV1024892 as an Aquatic Ecosystem Protection Plan (AEPP).

We can chat next week, once you've had a chance to review the WV permit.

Thanks,
