OK, but let's offer Dave and Greg a date in December, as my schedule is filling fast.

Not quite yet. I'm meeting with my folks and ORC on Monday. Angeles had been in regular communication with Greg.

Attached are comments we submitted through Regulations.gov on the proposed listing of the Anaconda Site on the NPL. As we've shared with your staff and with BLM, we have reached agreement with ARC on a framework for deferral of NPL listing. We would ask that EPA begin negotiation of a deferral agreement with us as soon as possible. We know there are issues between ARC and EPA that will need to be negotiated and resolved as well. Thanks.

Dave
