Subject: FW: Final Draft PP Presentation
20161205 OU-8_PP_Presentation_Final_Draft.pptx

Hi,

Attached is the final draft version of the OU-8 Proposed Plan presentation.

Dante and I worked on this together and agree on the content, and the majority of the format at this point.

I passed this version along to CBI earlier, and they will check content and prepare a final version of the powerpoint.

It made sense to put it in front of you today, rather than wait until later in the week when we won't have as much opportunity for revisions.

If there are others on your teams that would be interested in this presentation, but are not included in this email, feel free to share it with them as well.

Let me know if you have any revision requests as soon as possible, to facilitate finalization prior to our dry run meeting on Monday.

Thanks,

Jeryl
