Here is the feedback I got from NDEP staff:

•□□□□□□□□ the next EPA/NDEP/BLM community involvement planning meeting has been set for Thursday July 14th at 2:00, not Tuesday.

•□□□□□□□□ We were asked to come up with a list of prospective interviewees, but we hadn't discussed when those interviews might occur. If EPA wants to do those while in town for the public meeting, that's fine. Makes sense. We will try to accommodate that time, but I'm not sure who all will be involved with the interviews from our shop.

•□□□□□□□□ Goal to complete the CIP by the end of 2016.

•□□□□□□□□ Agreed that a fact sheet is necessary, focusing on NPL proposal and OU8.
