Subject: Revised AEC Bennoc permit?

OEPA,

I have not received the revised AEC Bennoc permit as of COB today January 27, 2014. We were informed the revised permit would be submitted by January 24, 2014.

I checked my inbox and junk mail and did not see it. If I missed it, please let me know.

I will have to reschedule the conference call this week, since it was based on having sufficient time to review the revisions prior to the call.

thanks,

Janet
