Rachel Provost, Scheduler

Office of Congressman Mark Amodei

Jared Blumenfeld forwarded your scheduling request to me. First, I wanted you and the Congressman to be aware that Jared's last day as Regional Administrator for EPA Region IX was Tuesday of this week. Going forward, our Acting Regional Administrator is Alexis Strauss. I have checked with Alexis' Executive Assistant, Abi Gaudario on her availability on Thursday, June 2nd when Congressman Amodei will be in San Francisco, and Alexis and managers in our Superfund Division would be available at 10:00am – 11:00am or from 2:00pm – 3:00pm on Thursday, June 2nd.

Please let me and Abi Gaudario know if either of these two windows of time would work for the Congressman's schedule. I am also including the contact information for Abigail Gaudario who is the Executive Assistant for Acting Regional Administrator Alexis Strauss.

I would imagine that Congressman Amodei would like to get an update on the Anaconda/Yerington Mine Site and perhaps Eureka Smelters. Please let us know if there are other topics of interest so that we can be sure to be prepared to discuss any other issues of interest. Please give me a call if you have any questions or need any additional information.

Hi Jared,

Congressman Amodei is planning to be in San Francisco on June 2nd and was hoping to stop by for a meeting. He was hoping to generally check in, but may have some specific discussion topics. Will you be available that morning?

Thank you,

Rachel
