ARC indicating a preference for all 3 parties to meet on Wednesday with a chance to resolve any outstanding issues on Thursday. NDEP is ok with their suggestion but it is hard to decide until we see substance of their deferral edits.

Thanks, we'll plan on a 3 pm start. Will you be driving down? If so, we can arrange parking under our building.

Thanks Alexis.

I was planning to bring Jeff Collins and Rick Perdomo. We could start at 3 on Wednesday at your offices and would hope to leave by 1 on Thursday. We have some flexibility if those times don't work or you think we need more time.

Dear Greg,

Bob Genovese called, he will be coming next week with Adam Cohen and Brian Johnson. He will send us his red-lined mark-up on Monday of our deferral agreement, so we can understand their perspective on the termination language and the ARARs language (these seem to be their foremost concerns). I recommend we have a prep session with you and your team.

Do you have a starting time in mind for Wednesday afternoon, and a start/end time for Thursday? Participating for EPA will be Enrique, Sylvia and me.

Look forward to seeing you here in San Francisco. Let me know if I can help with any

logistics,

Alexis
