It was great to spend some time with you and Secretary Crowell. Like you, I am glad to have the lines of communication open. Call my cell anytime. I will keep you informed as the scheduling of a Anaconda site visit gets set.

Thanks,

Ken

Ken,

Thank you for taking the time to meet with Brad and me yesterday. I am encouraged by the level of engagement from the Administrator's Office directly with state agencies, and we look forward to strengthening lines of communication to expedite resolution as opportunities arise. Your charge seems both worthwhile and daunting, so please feel free to reach out to us.

We will not be attending the ECOS July meeting, but we look forward to hearing from you as the Administrator's August travel plans to visit the Anaconda Site come together.

Kind regards,

Greg
