Good morning (barely)! February 5th works for us. We've had some preliminary conversations, but we should talk about next steps. Does any time this week work for you? Thanks for all your hard work and that of your team to get this over the finish line. It will be a good event!

Dear Pam, Brad and Greg,

EPA Administrator Pruitt would like to arrange an Anaconda deferral ceremony/event at the site with you on Monday, February 5. Would this be convenient for you and the Governor? I suggest we'd have a Nevada/EPA signing of the deferral agreement, and an EPA/BP signing of the cost-reimbursement agreement, although other documents may also be ready for signature. If this works for you, shall we talk re next steps?
Kind regards,

Alexis
