Ken and Alexis,

Please find attached NDEP's request for NPL Deferral at the Anaconda Mine Site in Lyon County, NV.

Feel free to reach out to us if you have any questions.

As Nevada discussed with EPA Region 9 on July 24, we anticipate that EPA and NDEP will need to develop some joint messages related to NPL listing decision for the Anaconda Mine Site. We should be in touch soon on the timing and content of that message.

Thank you,

Greg
