Hello Kell
I will be back in the office tomorrow and will have a better sense of timing. It depends on large part where we are in our coordination with the affected tribes. I think the 26th may work. But I can confirm tomorrow.

Is it possible to target the 26th of January as the date we could plan to have all completed? That is the date the Governor's office has set aside for the announcement. I think this would be really helpful.
