All –

Attached are all of the materials for the pre-brief with Alexis for the upcoming Thursday, June 2nd meeting with Congressman Mark Amodei. I have created folders for Alexis and Jessica Kao and will prepare copies of any materials we wish to provide to the Congressman.

I understand from Harold that Angeles is not able to participate in the meeting with the Congressman and that Dan Meer and Bret Moxley may be participating. I have included the Rio Tinto and Carson River materials as background in the packets even though they will not be brought up in the discussion with the Congressman.

I will be finalizing the agenda following the pre-brief and input from Alexis.
