Note Anaconda and NOA. For NOA, let's rendezvous with Air Division and possibly NEPA prior to the meeting with NDEP.

All,

We can go over this and the 8/25 ADEP meeting quickly at SMT but I want to make sure you note it on your calendar.

The foursome, Leo Drozdoff, Dave Emme, Greg Lovato, & Jennifer Carr, plan to arrive 8/23 afternoon, w/ Leo landing @ SFO at 2 & others at 2 or 5 depending on their morning legislative hearing. They all depart fr SFO @2:30 pm the next day.

1. 8/23: It's still fluid & could go something like this: 3 - 4:30 pm (19th Fl): Air (Elizabeth A) discussions (if others land @ SFO at 2) + open drop-in with Leo, etc; then drinks; then dinner for the willing and able.

2. 8/24 : 9:30 to noon should suffice. Let me know your availability within that timeframe, the length of time needed + topics. Leo has suggested the following topics; I put the matching divisions next to them:

- Transition (theirs and ours)
- Naturally occurring asbestos (cross-divisional?)
- Anaconda ($F)
- NDOT (enforcement/orc)
- North Las Vegas pretreatment (enforcement/orc)

Thanks!

Jessica

Leo, we will host a drop-in with tame refreshments here on the l9th floor, after we cover all Air topics (as Elizabeth can't be here on day two). We can then go out for adult drinks and dinner with whomever on our senior management team can join us. Glad you are staying nearby. You and Sylvia can decide on the dinner venue. Jessica and I will work on the agenda.

Hi Alexis,

Thanks for your help getting the 23rd and 24th set up. I'll be landing at SFO at 2:00. Dave, Greg and Jennifer will try to catch that flight but as I said they have a legislative hearing. If they miss it they'll get in around 5. I was hoping to find someplace close to the EPA office building so that if anyone from your staff wanted to stop by and say hi before they left that would be great. As for dinner, it would be the four of us plus yourself and hopefully Debbie, Sylvia, Jeff Scott and anyone else. We are staying at the Marriott Marquis but we can go anywhere for dinner. As for the 24th we all have a 2:30 flight out of SFO so I was thinking we could start around 9 or 9:30 to talk through the specific issues I mentioned previously plus anything you want to talk about. We could also talk about the transition. Let me know what you think.
Thanks, Leo
