The press briefing is at the Capitol at 1:30pm today. I am told the letter will be given to the press but embargoed until 3:30pm. We had a call with Scott Sonner with AP yesterday at 4pm since he had a conflict today. He was briefed on the situation and content of the letter and told the same.

Margot, I have been doing stories on the Yerington mine cleanup and I understand that Governor Sandoval is going to be announcing his decision today. Might Jared be interested in doing an interview, now that the decision is made? If Sandoval says yes, then I would like to know timetables for cleanup, etc. If he says no, I would like to know what the EPA's response is.

I did just leave a voice mail. But I thought email might be easier to answer.

Thanks,

Carrie
